

ROMSEY2020UPDATE

Romsey 2020 Committee members, lead by the Chairman Rod Simpson, continue to meet regularly to develop ideas and opportunities for the benefit of the local community.

This year the main focus has been on 'Youth' following the very successful Youth Conference in January 2008. The detailed report from this Conference has been published and distributed to a wide audience e.g. Borough & Town Councillors, Chamber of Commerce, Romsey & District Society, Youth Council etc. Whenever possible Romsey 2020 would like you to be actively engaged with local events and activities such as Hampshire Water Festival and Christmas events.
